AUTHORS MUST COMPLETE THIS AGREEMENT FORM AND RETURN IT WITH THEIR MANUSCRIPT

Dear Contributor(s)

In consideration of the Australian Society of Sugar Cane Technologists Ltd ('ASSCT') accepting your paper entitled:

('Paper') and for you to present the Paper at the 2024 ASSCT Conference in Townsville ('Conference'), this letter, when countersigned by you, will serve as the ASSCT's agreement.

You hereby warrant that:

- the Paper has not been published previously, is not presently being considered for publication elsewhere and that all necessary permission has been given to you to disclose the content of the paper;
- to the best of your knowledge, nothing in the Paper infringes any intellectual property right or discloses any confidential information vested in any third party;
- the Paper does not contain any subject matter that contravenes any laws (including defamatory material and misleading and deceptive material); and
- the Paper meets ethical standards applicable to the research discipline.

Terms of the Licence to Publish

1. In consideration for publication of the Paper, I/We the author(s) of the Paper ('Author(s)') grant(s) to the ASSCT, an exclusive worldwide licence to:
 - reproduce, publish and communicate the Paper, or any part of the Paper, to the public in any and all media, whether existing before or after the date of this licence, for commercial purposes for the full remaining term of the copyright subsisting in the Paper in each applicable jurisdiction; and
 - approve fair and reasonable permission requests from third parties to reuse material contained in the Paper for the purpose of study, research or subsidiary publication.
2. In addition to the Author's(s') moral rights in respect of the Paper, the Author(s) retain(s) the right to:
 - use the Paper for non-commercial purposes within his/her/their institution subject to the usual copyright licencing agency arrangements;
 - use the Paper for further research and presentations at meetings and conferences;
 - use the illustrations (line art, photographs, figures, plates) and research data in his/her/their own future Papers and presentations;
 - share print or digital copies of his/her/their Paper with colleagues for personal use or study or research;
 - include the Paper in part or in full in a thesis provided it is not published for commercial gain;
 - place his/her/their pre-publication version of the Paper on a pre-print server; and
 - place his/her/their pre-publication version of the Paper on a personal website or institutional repository on condition that there is a link to the definitive version on the ASSCT website.

3. The Author(s) agree(s) to:
 - include a link and/or reference to the Paper as published by the ASSCT on all digital copies used within his/her/their institution;
 - not reproduce or authorise others to reproduce adaptations of the Paper that are substantially identical to the Paper for any commercial publication;
 - not permit digital copies of the Paper as published by the ASSCT to be systematically networked to external users; and
 - not use the Paper in any way that implies that the ASSCT, the 2024 ASSCT proceedings ('Proceedings') or the ASSCT Publications Committee endorses any product or procedure described in the Paper.
4. When exercising any of the rights assigned or granted, each party is required to give sufficient acknowledgement of the contribution made by the other party to the published material including a citation to the Proceedings.
5. If the Paper is rejected by the ASSCT Publications Committee in writing, all rights under this licence revert to the Author(s).

The corresponding Author acknowledges signing on behalf of all of the Authors *with their authorisation*.
